

Tableau Creating Sales Dashboard WEEK 5

**Data Science
Academy**

HOMEWORK

Disclaimer: Homework is made up for educational purposes.

You have been given data of Digital Marketing Company. Create a reader friendly dashboard that contains:

- 1) A map shows Total Sales by State for the entire company history.
- 2) A Treemap of Sales by Region and Sub Categories.
- 3) Time-Series of Sales growth by quarter and Customer Type.
- 4) Complex Design Tools, titles, filters, dashboard actions for getting better view.
